### Gospel Reading

John 10:11-18

Jesus says that he is the good shepherd who knows his sheep.

---

### Family Connection

The Good Shepherd makes sacrifices for the sheep not because it is required, but because it is a choice. That sounds a lot like parenting and the dynamics of a healthy family life. Parents choose to make sacrifices for their children out of love, not obligation. Christian parents model and invite their children to choose to make sacrifices for other family members and for other people, acting out of love rather than obligation.

When you gather as a family, invite each family member to consider the attitude that permeates their participation in family life. Read a common examen, such as any of the following: *Do we do family chores cheerfully and without having to be asked multiple times? Do we gladly share with others? Do we willingly contribute to the family good when asked?* Read aloud today's Gospel, John 10:11-18. Discuss together how the example of the Good Shepherd might inspire your family life. Invite each family member to make a renewed commitment to one action/attitude to focus on in the upcoming week that show that we will choose to follow the example of the Good Shepherd. Pray together that we will be able to honor our commitment. Pray together [Saint Ignatius of Loyola's Prayer for Generosity](#).
