

St. Ann Parish Capital Appeal

Thank You

We
reached
our goal!

\$300,000

THANKS BE TO GOD!

This past Tuesday our St. Ann Parish Capital Appeal reached \$351,840 surpassing our goal of \$300,000! This will enable us to carry through on our planned capital improvements over the next three years!

I want to thank all of our parishioners who have prayerfully considered and reached a decision regarding this Appeal. If you have decided you cannot contribute to this effort at this time, I ask that you pray for the continued success of this effort since we still have another \$200,000 in yet-to-be -scheduled capital improvements (see the brochure we mailed to you in May). Any additional funds received through the Appeal will be used toward our remaining list of currently identified physical plant needs.

If you are able to support this Appeal but have not yet submitted your donation or pledge, know that we still can use and will appreciate all donations of any amount. Donations may be given through our Parish's e-giving option, through the mail, or by dropping your envelope at the parish office or in the Sunday Collection and know that any contribution you can make to this Appeal is much needed and much-appreciated.

Thanks be to God and thanks be to our parishioners for this much-needed investment in the future of our Parish!
