

First Aid Protocol

1. We do not have a Nurse on duty at EDP.
2. No medication is dispensed at EDP. If any medication is needed for the afternoon, it is dispensed by the School Nurse before the end of the school day.
3. Minor First Aid is administered by the EDP Staff.
4. In the event of any injuries or medical issues, parents are contacted. It is very important that parents complete the annual EDP registration form which contains after school emergency contact information. During the course of the school year, if you have a change of contact information, please be sure to keep EDP updated.
