

Request for Exception to St. Benedict School's Food Allergy Protocols

I _____ am the Parent/Legal Guardian of _____.

I understand the safety procedures in place at SBS for children with food allergies, that include the separation of allergic children from allergens. I do **NOT** want my child to sit at the "SAFE" table provided in the cafeteria, nor do I want my child to sit at the "Safe" area provided for snack. I hold harmless SBS for liability regarding any medical or health consequences/conditions that result because of this exception.
