COUNTER SALES

You can purchase SCRIP cards at School either by coming into the building during school/parish office hours or by sending the completed form and payment in with your child. If you send the form in with your child, we will send the cards home with your child as well.

Please complete the Counter Sales Form and enclose it, with payment, in an envelope marked SCRIP Counter Sales. **Checks should be made out to St. Benedict School.**

SCRIP ORDER FORMS

If you wish to purchase any of the hundreds of SCRIP cards found on the SCRIP website, please check the site for card availability and denomination availability. Then complete the Order Form which can be found on the SBS website under SCRIP. **We need 2 copies of the Order Form**, one to return to you with your order and the other for our records. Enclose the forms and payment in an envelope marked SCRIP ORDER. Send the order in to SBS by Tuesday morning (9:30). Orders will be placed and will be available for pick up the following Tuesday, if not sooner. Cards can be sent home with your child. Please indicate on the bottom of the form whether you want us to send the cards or hold them for you to pick up.

Should cards be available sooner than Tuesday, we will send them home when they are ready or call to let you know they can be picked up.

If you have any questions about how this program works or about how to purchase cards, please send an email to Lorrie McGee at mcgee@stbenedictnj.org.
