Good Afternoon Parents,

I just want to clarify a few things regarding Google Classroom. If your child is in grades PreK to Second grade, the PARENT should be logging in with their P1 or P2 account. The reason for this is - your child does not have a stbenedictnj.org email assigned to them at those grade levels. Teachers will be pushing out assignments to your email addresses via Google Classroom.

If your child is Third to Eighth grades, they must log in to their STUDENT email account. These grades all have their own email addresses. Teachers will not be pushing out assignments to the parents but to the students.

I hope this helps resolve the issue.

Sincerely,

Anita Magnan

Director of Information Technology

St. Benedict School
