Good Morning Parents:

I hope everyone made it through Day 1 of virtual learning. Thank you for the positive feedback and ideas for improvement. Our teachers are becoming more and more comfortable every minute.

Today... please continue to keep an open mind and make the most of this experience. Remember its important to allow students to take breaks to limit their screen time. It may be difficult today, but take a walk, run, or bike ride to break up the day.

Please let me know if there is anything you need.

Kevin Donahue
