

Dear Drama Club Parents,

We ask that you please read this email to your child/ren.

Dearest Cast Member,

We know that this is not the end of the drama season that we had hoped for. We are as disappointed as we know you are. We were so hopeful that we would be able to put on our production at some point during the summer, but alas, that is not the case. However, THE SHOW MUST GO ON!

Next year's production will still be Frozen! You have put so much time and effort into this show and we can not let that go to waste! Everyone will keep their role, and our graduating 8th graders are welcome to come back and perform with us as well. You know we would love to have you with us! We understand that you will not be able to rehearse with us as you normally would, and if you are interested in staying, just keep running your lines, and practicing your songs and choreography. You can come to our final rehearsals where we will put it all together.

The fall, and our drama schedule is unknown right now, but know that we will move full steam ahead when we are able to! We are working on securing another date and we will let you know more when we have that information.

We love you. We miss you. We can't wait to see you all again!

Love,

Mrs. Treglia
