Tuition Agreement

We accept full legal responsibility for the above named student and agree to pay in full on the date due all tuition and fees payable with respect to such student. We understand that any failure to meet the foregoing obligations may result in our child not being permitted to attend classes and that until all financial obligations with respect to the student have been satisfied in full, the School will have no obligation to transfer credits, grant a diploma, or release interim or end-of-year records or transcripts.

Additionally, we understand that the School reserves the right to use collection agencies and other legal means to collect unpaid tuitions.
