COVID-19 Precautionary Safety Measures Taken at SBS

- CDC and New Jersey Department of Health Compliant
- SBS Steering Committee guiding all COVID-19 decisions
- Buddy barriers, grade school-compliant plastic desk shields, installed in all classrooms
- Air purifiers with HEPA filters present in all classrooms
- Hand washing stations installed in all 3 school wings
- Deep cleaning and disinfectant processes in place
- Use of cordless electrostatic disinfectant sprayers in all 3 school wings
- Temperature Kiosk Cameras located at each wing entrance
- No Touch Thermometers used throughout school
- Use of the Great Outdoor Learning Center for Grades PreK to 5
- Masks and social distancing required with all students, staff, and faculty
- Fully stocked medical supplies in Nurses Office
- Classroom cameras installed for elective remote learners in Grades 4 and up
- COVID-19 safety signage throughout school

Our goal is to keep a safe, healthy school environment for our entire SBS community.
