

CAFETERIA NEWS

Starting September 8th, the SBS Cafeteria will be up and running following all CDC Guidelines.

HERE ARE THE DETAILS YOU WILL NEED FOR MAKING ANY PURCHASES:

- Be sure to set up a My School Lunch Account so you can order lunch and monitor your child's spending.
- Each child is assigned an account and a pin number to use to purchase lunch and snack. The accounts need to be activated by the parent or guardian for use.
- You will be receiving a welcome letter with instructions for signing up during the first week of September. You can find your child's pin # on line 7. If you are signed up already please refresh your child's memory of their pin #.
- If your child forgets their lunch, or refuses to eat the lunch they have, they will be able to get a lunch from the cafeteria and their account will be charged accordingly.
- School lunch will be available daily. You will need to preorder lunch on the My School Account website.
- You can order for the month, specific days, or daily up until 8:00 am.
- Lunch will be prepared fresh daily for each child. It will be packed in a closed container, labeled with their name and class and delivered to the classroom. Snacks will be sold daily in each wing so your child never has to leave their wing.
- Each lunch will include an entrée, fruit, vegetable and a large bottle of water. Lunch menus will be posted to the school website monthly under **Lunch**.
- Please be aware if your child is not ordered they will get a bagel lunch.

If you need to cancel a lunch you ordered:

- If your child is out sick and you ordered a lunch that day **it is your responsibility to *please* cancel that lunch**. You can do it on the website www.myschoolaccount.com or email me at grano@stbenedictnj.org by 8:30am or you **will be charged** for that lunch. At this time we cannot take back any lunches that went out to your child.
- Please discuss and make sure that your child likes the lunch you order them. Because lunches will be packaged and delivered to your child, we will not be able to change a lunch free of charge as we were able to do in the past. If a replacement is made we will have to charge for it.
- You will also find a list of snacks and drinks available daily on the school website under lunch.
- For convenience, you can send me a check or cash in an envelope to my attention (Gina Grano Cafeteria) and I will apply it to your child's account.
- At this time, we recommend everyone uses the MY SCHOOL ACCOUNT for purchases to avoid using cash. All the children will be given an id card that they can keep at their desk to scan for snacks so they don't have to touch anything when purchasing snacks.

- Please be mindful we do not monitor the spending of your child so please talk to them about their limits and check your child's my school account regularly.

You can email me anytime with any questions or concerns grano@stbenedictnj.org

Thank you all for your cooperation during these tough times. We are excited to welcome the children back!
