### Old Business:

- HC Westover and Valmoore are now officially combined.
- HC Grafton will continue to invite HC Poquoson Central and West to join their meetings.
- Current leaders for the house churches for this year are listed above.
- Liturgy Aids (Parish Office seemed eager to help):
  - Response sheets are available for the mass
  - Large Print worship aids are now available
  - Hearing devices are still available
  - These aids will be announced in church. Can a note about them be posted on the front of the worship aid?
  - Missals are not an option – It is more desirable to have people pay attention to the mass, rather than read along.

### New Business:

- House Church charter: Not everyone has a copy and the one that was on the website cannot be found. A copy will be found and sent out to the HC leaders. Please review for our November meeting.
- Rick Gausmann has agreed to be HCLC Chair for this next year.
- Judy Townsend has gone to Haiti – please keep her in our prayers.
- Kairos ministry has you-tube testimonial that lets people know why Kairos is so important. Dave sent out a link to it. Cookies are due Tuesday 10/18, 5-7PM.
- House Church faith formation:
  - Doors of Mercy is the recommended study this year for the house churches. There appears to be two versions. Contact Debbi Gausmann for information about these studies. Also keep

- Debbi in the loop as to what your house church is doing for faith formation so that she is informed.
- Running Man is studying Catholic View of current events/current issues, using the US Council of Catholic Bishops postings. Also looking at religious liberty and theology of the body, and other faiths.
  - House Churches News and updates:
    - Liturgy Committee has started (Wednesday 10/5).
      - Upcoming dates to note:

      - Nov 17: Meeting of Eucharistic Ministers to organize, re-commit, review. Other liturgical ministry meetings will follow.
      - Considering possibility of having altar servers
    - Need to keep our contact lists up to date. There is a need to re-register all families; take a census and inform members about house church. Need to find a way to reach out to those not active, welcome them – maybe go back to having the house church leader visit with new members and bring them a packet of information to welcome them to our parish.
    - Keep Father and Claudia-(for posting dates, bulletin announcements), in the communication loop. New addresses:
