Old Business

- Anniversary blessings at Mass - Fr. Bob prefers to do individual milestone blessings at Mass. Couples can also ask Claudia to post their anniversaries in the bulletin.
- Copies of Fr. Bob's homilies are available after Mass for the Ministers to the Sick/Homebound. They will not be handed out for use during Mass.
- Vision/Mission update – Parish Pastoral Council is reworking the Parish Vision and Mission Statements. Surveys will be administered during Mass on the weekends of October 1st and October 8th to gather input from parishioners. Parish Council retreat will be held on October 20th and 21st to start working these inputs into a new mission statement.

New Business

- New leader for HC Grafton – Nate Garn. Thank you, Nate, for stepping up. (See attachment).
- The Parish Directory is done. This year 190 families (out of ~ 475) sat to have their pictures taken for the directory. 2008 was the last time this was done and only 89 families participated then.
- New chairs – The new chairs (400) were delivered and set up on Tuesday, September 19th. One hundred fifteen old chairs went to St. Rose of Lima, 10 chairs went a Korean senior center, about 30 chairs were unserviceable (to be recycled for metal) and the remainder were picked up The Restore which supports Habitat for Humanity.
- St. Kateri now has a Knights of Columbus Roundtable. They were responsible for coordinating the removal and replacement of the chairs. They are also cleaning/treating the decks at the Annex, and are coordinating to have a handicap ramp built. Any Brother Knights, anyone interested in learning more about the Knights or anyone interested in helping the Parish with service projects are welcome to join us on the first Tuesday of each month in the Annex. Rick Sowell is the Roundtable Coordinator.

- The Men's Breakfast meets at 8:00 AM the second Saturday every other month for breakfast, fellowship and formation. Terry Johnson is leading a discussion of the Sacraments which has met with very favorable reviews. Rick Sowell and Nate Garn are the cooks/coordinators.

- Schedule reminders

-- Lenten soup suppers will start in February. Sheila would like to do 2/21.

Next Meeting – Tuesday, October 10th in the annex.
