

Given the current path of Hurricane Isaias and the potential for serious weather conditions here, and out of care for the safety of our parishioners and staff, St. Paul of the Cross will be closed Saturday, August 1 and Sunday, August 2. The Saturday evening and Sunday Masses will not be celebrated publicly. One of our priests will celebrate all Mass intentions. If conditions allow, we will begin celebrating public Masses again on Monday, August 3 at 8 AM.

Our Parish Office will remain closed both Saturday and Sunday.

Of course, Masses will be available on our YouTube channel: [St Paul of the Cross NPB](#) . Please remember that Bishop Barbarito has already issued a dispensation for Sunday Mass attendance.

We are praying for everyone's health and safety.
