January 21, 2020

Dear Parents,

_Catholic Schools: Learn. Serve. Lead. Succeed._ is the theme of our annual Catholic Schools week celebration, scheduled for the last week of January 2020. The events we’ve planned (included with this letter) demonstrate how we at Our Lady of Angels Regional School are striving for high standards and what our students are learning as a result.

Our school is a community of faith where we proudly teach students about God and openly pray and worship God on a daily basis. We are a community of knowledge where we pursue truth and reason without fear. Our school lives its Gospel values through a strong commitment to service.

The national initiative establishes a set of defining characteristics for Catholic schools, including excellence, commitment to educating the whole child who is steeped in a Catholic worldview—characteristics you’ll find at our school. You’ll have an opportunity to see those characteristics in action during our Catholic Schools Week events. I hope you and your family will join us. And please bring your friends and neighbors, particularly those who may be thinking about Catholic Education for their children.

When you visit our school, I’m sure you’ll be as proud of our students as we are. What helps make their accomplishments possible is the dedication and commitment of our teachers, staff, administrators, board members, parents, and volunteers. I’m thankful for them every day, but I want to make a point—at this special time of year for Catholic schools—of publicly extending my deepest appreciation to everyone who works hard to make our school a success.

All God’s Blessings,

Mrs. Susan B. Lowe
Principal
