## SUMMER FAITH FUN AT ST. GEORGE

*It's almost halfway through the summer and the kids are getting bored with too much free time on their hands. Does this scenario sound all too familiar?*

If you answered “yes”, then St. George parish has a solution for you! Send the kiddos our way, and a group of super-friendly volunteers will make sure they have a great week filled with fun and friendship!

We are so pleased to offer a summer experience for children K-8 that will take place from **July 29 through August 2 (9 am-12 pm)** on the parish grounds.

High-schoolers are encouraged to sign up as teen volunteers. Every energy-filled day will include songs, skits, outdoor games and, of course, snacks! There will also be some special activities throughout the week, so read on. Each teaching session employing skits, short movies, and activities will convey each daily theme:

### DAILY AGENDA

#### **Monday: “Can You Hear Me Now?”**

We all know how difficult it is to hear God's voice in our noisy, distraction-filled world. Maybe we don't know what to expect. A mighty wind? Thunder? We will get some clues from the big-time prophet Elijah and his adventure on Mount Horeb (skit).

#### **Tuesday: “All Creatures Great And Small”**

**A Petting ZOO** is coming to St. George!!! Get ready to experience God through His (cutest) Creation!

#### **Wednesday: “Message In A Bottle”**

God's message can reach us in so many ways, old and new. We all know that He speaks to us through the Bible, His Creation and through other people. Are there any new ways that God uses to speak to us in the technology-driven 21st century? And what is His message? We will discover His beautiful and timeless love letter to us, courtesy of writers of the Old and New Testament.

### **Thursday: “Prayer - A Friendship with God”**

God's message to us requires our response, and that response may as well be called “prayer”. Are you easily bored with prayer? Not seeing the point of it? We will show you some approaches to prayer that may just become life-changing! As a reminder of God's graces being poured out on us every day, Thursday will be **Water Day** (details to follow).

### **Friday: “Our Daily Bread”**

Overwhelmed by school, extracurricular activities, homework? God can speak to us through the everyday events of our lives. We can answer Him in the same way. Our life experiences, our work and our difficulties can all become one prayer. And what can be a better symbol of everyday life than bread? We will be **baking some delicious loaves** as a special reminder of it.

**Additional daily activities:** “Interview with a Saint” (Skit), “Create your own Prayer Booklet”, and a prayer circle to wrap up each day.

All children in grades K-8 are welcome for this **free** program and it's not necessary for them to be currently registered in our St. George Faith Formation program.

*We hope to see you there! The Summer Camp team*

Registration is required **by Monday, July 22**

so that team leaders and supplies can be prepared!
