

Live Auction Update Saint Alphonsus Liguori Community Festival July 30, 2011

Calling All Parishioners

This year's festival auction promises to be an exciting event! The auctioneer is lined up and ready to call, so please help us make sure he has plenty of items to put on the block.

Please consider donating items and/or services to this year's festival auction happening on Saturday, July 30.

Items may be large, small, inexpensive or priceless (like the dinner Father O'Keeffe so generously contributed).

Everyone has something to offer, whether it's a service, a talent or something more concrete – as long as it's new.

Possible donation items may include:

- Services, such as lawn care, spa/salon treatment, painting, house cleaning, cooking/baking
- Tickets to college and professional sporting events
- Travel
- Electronics
- Themed baskets: pasta, baby, gardening, wine, religious, etc.
- Fashion accessories
- Sporting goods/Toys

Use the donation slip to the right for an item or service you would like to offer. Items can be dropped off, with a slip, at the parish office. Thank you!
