### STEWARDSHIP CORNER

**Service**

Of all of the moments recorded in the gospels, one of the most challenging and compelling is that of Jesus washing the feet of His disciples. To love so completely as Jesus calls us to serve, we must be willing to see the needs of the people around us—in our families, at work, in our parishes and schools, in our local communities and the world. Stewards are by definition servants. Have you noticed that the more you serve, the more comfortable you become doing so? The more you witness and experience the service of others, the more inspired you will be to reach out in love and care.

### Attention All Parishioners

You are cordially invited to attend and join us in praying the Living Rosary (hosted by Mary, Star of the Sea School students), scheduled to take place in the Church:

**Friday, October 18, 2019**

8:30 am
**Gospel Reflection**

The Gospel is from St. Luke 17:11-19. The incident of the ten lepers happened as our Lord was on His way to Jerusalem, where He was to die on the cross so that we could live eternally. The Church brings it before our minds today, not so much to remind us of the mercy and kindness of Jesus to all classes, even the outcasts, as lepers were, as to make us see and be amazed at the depths of ingratitude to which men can sink.

This is but one of many such examples of ingratitude that occurred during Christ's public ministry, most of those He miraculously cured forget to thank Him. In today's incident there was one, and he was the one least expected to do so, who had the decency to return and thank his benefactor. This pleased our Lord and led Him to remark on the ingratitude of the others. "Were not all ten made whole, where are the other nine?"

We all need to be more grateful to God every day of our lives—more grateful than we have been. He has not only given us life on this earth with its joys and its sorrows, but He has prepared for us a future life where there will be no admixture of sorrows. It is for that life that we are working. It is because there is a heaven after death that we are Christians. God has already done His part in preparing this heaven for us. He is assisting us daily to get there. We need a lot of that assistance and one of the surest ways of getting further benefits from God (as well as from men) is to show true gratitude for the benefits already received.

**Thank you Jesus**

As we express our gratitude, we must never forget that the highest appreciation is not to utter words, but to live by them.

MSOS STUDENTS SHINE FOR JUSTICE!

“As stewards of God’s creation, we are called to make the earth a beautiful garden for the human family.”

Pope Francis

MSOS mission focuses on academic excellence, stewardship, and character building. This quarter, students were invited to support the local Children's Justice Center by donating new stuffed animals. The animals joined in on the fun at the end of the first quarter school-wide pep rally, organized by the student council. The Middle School Band kicked off the event, followed by some fun cooperative learning games. Our school volleyball teams showcased their talents and spirit to conclude the event. Mahalo to our student council for organizing the pep rally!!
