FROM THE PASTOR... The Church is a human institution of Divine origin. Thus, we are not perfect and yet seek perfection. When various crises arise in the Church, we seek to address them, to make amends, to seek forgiveness and reconciliation, and to correct what needs fixing. Since 2003 the Diocese of Sioux City, along with the many dioceses in the United States, introduced the Safe Environment Program [SEP]. Since then, all priests, deacons, religious, employees, teachers, catechists, lay directors, and volunteers [especially those working regularly with children] in our parishes, schools, hospitals, and nursing homes are required to complete a background check before being employed and take part in a SEP class known as Virtus. This program is another way that we are doing what we can to provide a safe environment for our children and vulnerable persons in our diocesan entities. I and a few staff members continue to monitor all persons who are in these six [6] parishes to ensure that our staff and volunteers remain current in their training and practices. For more information, please contact me at the parish office at Breda.

Please remember your parish in your will....Your bequest is a testimony to your faith in our future. —Fr. Mark
