From the Priests: “Whoever eats my flesh and drinks my blood has eternal life, and I will raise him on the last day” (John 6:54; New American [Revised Edition]). We Frs. Tim wish to encourage participation in the fullness of receiving both the Body and the Blood of Christ at every Eucharist. Each of you, of course, may decide whether you wish to receive both “forms” or not. In addition, we Catholics have a long tradition of employing the senses at our Masses and other liturgical gatherings. Visually, therefore, it is richer to have a deep red wine that is consecrated as the Blood of Christ. As we use up the current altar wine, we will, therefore, be switching to a drier, and deeper red wine, a Merlot. It will not be as sweet, but we take just a small sip of the Blood of Christ and as we tip the chalice, we hope it will be an even richer experience of receiving Christ’s blood, his life for us. (Oh, btw, it will cost about ½ of what we are now paying.)
CONTACTING THE FRS. TIM: If you wish to contact one of us directly, the best way to do so is FIRST to email us:

- THE Fr. Tim, t.a.friedtchsen@gmail.com;
- The other Fr. Tim, pickt@scdioce.org.
- Use the stbernard@westianet.net only for emails for Donna Wesely.
- For Julie Eich, stjohnarca-dia@gmail.com.
- For Rosie Sporrer, staug@iowatelecom.net.

You may, of course, copy any or all of us in on an email.

Don’t have email? Call the office (esp. for Donna, 673-2582) or the rectory (673-2351), and we will get back to you as soon as possible. We Frs. Tim are attempting to streamline things for Donna, so that the emails and calls she receives are mostly for her, and not messages (email or voicemail) that she needs to pass on to one or both of us.

MASS INTENTIONS: The good news is, there are a lot of Mass intentions for the six parishes in Christ The King Catholic Community. Some parishes have fewer than others, so from time to time, we may need to assign a Mass intention that was submitted at one parish to a Mass at another parish. Don’t panic! Remember, the Mass intention is the intention of the priest at that Mass. It is not the “intention of the Mass” for all gathered for that Mass.

The good news does have a bit of a dark lining. According to Canon Law (#935) we may not keep intentions beyond one calendar year from the date received. This also means that a person may not give the stipend for a Mass intention for a Mass that is more than one year away.
