FROM THE PRIESTS:  As you know, last week we Frs. Tims decided to cancel some Masses out of a concern for the safety of us all. During this time of year there is also the concern about the flu and colds. The only way to protect everyone from getting the flu or a cold from someone at Mass is not to have Mass at all. But, we are not going there; we are also not going to withhold certain parts of the sacred liturgy. Not having the sign of peace and not having the Eucharist under both species may feel like we’re doing something significant, but there are so many actions and things at Mass, that the BEST way to lessen the risk of passing on the cold or flu is to stay home if we do not feel well, and especially if we have a fever. At the sign of peace, you may choose to give a head nod, or the V sign—there is no mandate to shake hands. You might wish to have a small bottle of a germicide in your pocket or purse and use it when you think wise. We have not seen any article or study which shows that receiving the Blood of Christ is particularly problematic—wine from a metal cup that is wiped and turned after each reception is not more dangerous than so much else that happens as we come in, stay and leave the Church. If it concerns you, however, do not receive from the cup. Lastly, EMHCs should be especially vigilant about getting a substitute if they are feeling even a bit under the weather.
THE KNIGHTS OF COLUMBUS BABY BOTTLE FUNDRAISER: If you weren’t able to pick up a bottle last weekend, please grab one this weekend.

ST. ROSE OF LIMA Mass and Coffee: 9 a.m. -10 a.m. on Thursday in the School Cafeteria.
