**Please instruct the elevator to mail or email this form to the parish staff at the above appropriate address; after which the authorized parish staff will make the decision to sell the grain.**

**Key Points for a Valid Grain Donation:**

- As always, please consult your tax preparer for professional advice for your individual tax situation. The tax law for grain donations is very complex and there are specific criteria that must be met.
- A representative from the charity will open an account with the elevator in anticipation of the grain donation. Please contact us in advance so that an account can be established prior to delivery.
- The farmer must deliver grain to the elevator or currently hold grain in their name to provide proof of production. (Please note that contracted grain sales will not be accepted as a grain donation.)
- The farmer must transfer ownership title of the commodity to the charity.
- The charity must make the final decision to sell the grain.

**For questions and/or to notify the parish office of the grain transfer, please contact **Fr. Mark Stoll** or **Donna Wesely** at the address/phone number given above.**
