

Today's Gospel is very compassionate, "Come away by yourselves to a deserted place and rest awhile."

When was the last time you had an opportunity to step away for a while and refresh your heart, mind and soul?

Don't let this invitation from the Lord slip away!

As a Parish Family we welcome, Father Ted Ostrowski.

He has accepted the ministry of being the new Hospital Chaplain at Franciscan Health in Olympia Fields. He has also been assigned here at St. Joe's Parish as our new Resident Priest. I will ask Father Ted to share a few words about himself in one of our up-and-coming Bulletins.

Continue to spread the invitation to our Parish Members Sunday July 25th at 10:30AM will be a special celebration of Family life. Children and Parents of our Religious Ed program are strongly encouraged to attend. Refreshments will follow the Mass.

Thank you for your weekly attendance at Mass and for your continual financial support of your Parish.

Father Ron
