

23rd Sunday in Ordinary Time

This weekend's Gospel the Lord heals the man who could not hear. The Lord's command to the deaf man was "Be open!"

As in many of the Lord's miracles, there are deeper messages as well. What does our mind need to be open too? Who do we need to open our heart? As a parish, are we truly open to the Renew Program, are we open to our new neighbors. Are we open to growing older? Are we open to how our children think and act?

This weekend the Lord invites us, "Be Open!"

Do you have an fresh idea? How can we adjust our Parish "Sick List" without violating the Healthcare law that holds us to confidentiality of our brothers and sisters illnesses? Once given permission to add a name, at what point can it be removed? Without trying to create a sick list committee, email me or Agatha with your ideas. What are some of the other Parishes doing? Until then, stay well!

Are you looking for a Party? The Polish Club is hosting a Spaghetti Dinner on the grounds were I live. Sunday, September 19th 2021.

P.S. The building inspectors for Renew arrived last week. Our Church was given a five star rating. The school building needs a little of our healing touch. Stay tune for the full report!
