Frank Albert Hopwood, born on June 27th 1931 at home in Hinsdale to Rose and Fern Hopwood, passed away on September 29, 2013 aged 82 at Valley View Nursing Home. Frank grew up working with his parents at Hopwood Electric in Hinsdale before moving to Glasgow in the late 1950's. Frank continued to use his electrical expertise at St Marie wiring houses, runways, and also Power House #2 at Fort Peck Dam. Frank went to work for the City of Glasgow in 1964 in the water and sewer plant, during his 10 years of reading water meters he got to know the local community and loved lending a helping hand to anyone who needed it. After retiring from the City after 25 years he enjoyed traveling and being with friends and family. Frank's sense of humor, smile and infectious laugh are just a few of the things that made Frank so memorable, even with his hearing loss he loved to chat and joke with everyone while keeping the waitresses and CNA's on their toes.

Frank is preceded in death by his parents, his oldest daughter Joni and his sister June.

Frank is survived by his loving wife Robyn, his daughters Janet Fisher of Seattle, WA, Janeen Eckert of Helena, MT, Julie Kump of Taylorsville, UT, son Dale Hopwood of Denver, CO, 15 grandchildren, 2 great grandchildren and his brother Art Hopwood.
