Dear Parents:

I hope you and your family are staying well. I know that you have faced many challenges over the past year, and none of us knows what the future will bring, but we are assured that God will be with us. What a blessing it is to have our Faith! We have really missed everyone and have been praying for you and your family.

At the present time I am planning on holding Religious Education classes locally at St. Matthew, or, if you wish, you may choose to teach your child at home, as many parents did last year. I will make children's books, a schedule of lessons, and supplemental materials available to any families who are interested in working with their child at home.

Below is a link to our Sadlier Religion Series website so you can see the supplemental materials available for you and your children.

<https://religion.sadlierconnect.com/wbcid/webelieveweb.com>

To give you an idea of what is available, when you get to the site:

click on the grade
 click on Unit 1
 scroll down and click on Printable Activities go back to Unit 1 scroll down and click on Games and Study Aids

There are activities and reviews for each grade level for each lesson.

Prayers for each grade level
 Lives of Saints
 Sunday readings
 Family Activities, etc.

Most importantly, I offer the following suggestions:

continue to love your family
 pray together
 if you are not able to attend Mass, watch it together on www.stmatts.org
(St. Matthew's website).

If you wish for your child/children to participate in our Religious Education Program this year, either in person or at home, please fill out the appropriate enclosed registration form and we will be in contact with you. We will wait for your response.

May God continue to bless you, and keep you and your family safe!
