

Resident	Work requested	Additional Info
1	<i>Weedeating needs to be done, but doesn't have anyone to do that right now. Weeding needs to be done in a flower bed, under the deck, and there are tall lilies that need to be trimmed.</i>	<i>Bring weedeater and garden tools</i>
2	<i>Clean out the fenceline all the way around the yard. Trim shrubs and get any vines out of them. Re-paint a few of the flower pots (white). Plant more flowers if you can! She loves them!</i>	
3	<i>Lots of weeding and trimming. Usually takes the Handy Hands crew the morning and a chunk of the afternoon to complete. Will likely need a lot of mulching (Suzanne can get for you). *there are some bees.....she said they're not as bad as they normally are, but something to keep in mind if you have allergic reactions*</i>	<i>*Bigger job* Ideal for larger families.</i>
4	<i>Yard work: weeding, flower beds, and mentioned wanting to buy apple trees to put in.</i>	<i>She has a lot of the equipment you'd need, including a weedeater.</i>

5	<p><i>Cut back bushes on back right corner (facing house) a foot or more. Cut down weeds on right side of house. Trim holly tree growing out of tall evergreen tree in front yard and backyard.</i></p> <p><i>Weed eat taller grass in back yard mainly under pine tree limbs that hang longer. Pull weeds around plants inside wooden box, plants and flowers close to wooden box, and around house. Install solar light at back left gutter (facing house already purchased). Remove debris from gutter above back sunroom. Cut hanging pine tree limb in backyard. If able.</i></p>	<p><i>*Bigger job* Ideal for larger families. Need to bring ladders.</i></p>
6	<p><i>A lot of weeding. Flower beds in the front and back, weeds between bricks, leaves between the house and wheelchair ramp, and there is some poison ivy on the side that needs to be taken out (if you can).</i></p>	<p><i>Do not use any kind of chemicals. One resident is very high risk, so they won't be able to come outside to greet and thank you. It's such a shame, because they are so sweet!</i></p>
7	<p><i>Weeds galore. Trim rose bushes, clean out flower garden, possibly clean out the gutters again.</i></p>	
8	<p><i>Remove three small (rose?) bushes by her front window and replace with flowers (She will get for you). Bushes, etc have grown up around her back patio that need cutting back.</i></p>	
9	<p><i>Mulch around trees. Trim around right side of house. Needs the windows washed on the outside. *Is making a list and will let Suzanne know.</i></p>	<p><i>Said her son will buy the mulch and have it there for you.</i></p>

10	<i>Weeding to be done in yard and flower bed. Said it wasn't too much.</i>	
11	<i>Weeds in landscaping, trim big bush (if you can), clean the outside of the windows, paint Blessed Mother statue (blue and white), paint swing and picnic table with a brush (dark green), clean mailbox, clean the angel on the front porch, trim back the three trees near the building if low enough to reach, trim them.</i>	
12	Needs the building out back cleaned out. Requesting a couple of strong guys to help. Said it should take no more than 1.5 - 2 hours. Her son will be there to help. Mask up :)	
13	<i>The metal fence around their yard needs clearing out. If you can do that one simple thing, they're happy!</i>
