

Vocations Cross and Prayer Box All Parishioners Asked to Participate

There is a critical need for more ordained Priests and Religious within the Catholic Church. Our Collaborative Vocations Team is launching a program to help encourage Church vocations within the parishes of St. Martha and St. Mary.

The first initiative of this committee asks that parishioners pray with a “Vocations Cross” daily for Church vocations in our parishes. A Vocations Prayer Box has been developed which includes a blessed Crucifix, flameless candle, prayers and other supportive materials. An individual, couple, or family will take the prayer box home for 2 weeks and during that time pray daily for an increase in vocations. Please click your Parish’s link to select your desired 2-week commitment [St Martha](#) – [St Mary](#). The Vocations program will begin the weekend of October 19/20 and continue through June of 2020.

It is our prayer that all parishioners participate at some time during the year in this endeavor to support all vocations which includes not only Priests and Religious, but also the vocations of Deacons, Lay Ministers and the Sacrament of Marriage.

Please contact your parish office St Martha (508-699-8543) or St Mary (508-384-3373) with any questions.
