

## Holy Week and Easter Services

*Come Worship With Us!*

Dear Sisters & Brothers in our Plainville-Wrentham Collaborative Parishes,

Following our powerful Lenten Mission and the beautiful, musical Walking with Jesus through Holy Week, we now enter into the celebration of Holy Week itself. After having to celebrate these high holy days in empty churches last year, **I can't express how much it means** to me, Fr. Lambert, Fr. Bernie, and our Deacons to be able to celebrate Holy Week **with you - the People of God - present!**

While we still have precautions in place to keep you safe, we are prepared to welcome more people back than we did at Christmas. Please see below for guidance on how to get the most out of your experience of Holy Week and Easter with your parishes this year.

In the Love of Christ who died to give us new life,  
*Fr. Joe*

### **Signup If You Can...but if not, Come Anyway!**

Those who signup have first choice of whether they sit upstairs or downstairs.

### **Use Your Smart Phone (or printout) to Help Follow Prayers**

Since we still do not have shared hymnals or missalettes, you are invited to bring your smartphone or cellular enabled tablet to church if you want to view the readings and prayers on your device (we will guide you to use a QR code in the pews). Alternatively, you can go to [www.pwc.church](http://www.pwc.church) and print these out ahead of time.

All remaining Holy Week services are scheduled to stream online, including all Easter Sunday Masses from both Parishes. Each of these will also be available to view anytime after that, and most will be shown on local cable stations in the days that follow. *Up through the Easter Vigil*, services will be on **all** of our livestream platforms (both FaceBook pages and our PWC YouTube channel). **Please note:** for Easter Sunday, *St. Martha* Masses will be on [St. Martha Facebook page](#) and on [Fr. Joseph Mozer's YouTube channel](#). *St. Mary* Masses will be on [St Mary Facebook page](#). and the usual [PWC YouTube channel](#). Our main website [www.pwc.church](http://www.pwc.church) also has links to all of these viewing platforms.

### ***A Friendly Reminder: The Importance of Fresh Air in Church (dress accordingly)***

In addition to sanitizing surfaces after each use, fresh air is also an important part of minimizing the aerosols we breathe. **We continue to allow some fresh air in whenever people are gathered in church - so if it is cool please dress accordingly.** As people leave, fans are used to replace the air in the room, then the empty church is sealed to warm that air before we open up for the next celebration.
