Property & Grounds Committee News

The Property and Grounds Committee has concerns about the Pecan tree on the Southeast corner of the church near the garage. There is concern someone may be injured by slipping and falling when the area is covered with nuts. Also as the tree has increased in size it now conflicts with the overhead power lines. It is realized there may be some sentimental feelings towards the tree. However it is felt the extra maintenance cost and the hazard created by the nuts and power lines warrant the removal of the tree. If you have concerns with the removal of this tree please contact David Theis of the Property and Grounds Committee at 913-522-9304.
