Upcoming Child Safety Training- Sept. 12th

VIRTUS is a program created by the National Catholic Risk Retention Group in the United States with a "Protecting God's Children" component that combats abuse of children and other vulnerable people, in the Church.

VIRTUS focuses on educating teachers, parents, and other adults who interact with children about abuse and providing them with information to help prevent abuse.

All volunteers working with children at the parish and school are required to attend a Virtus training. However, this training is open to any individual who is interested in the safety of our children. This is a great opportunity to learn about how the Catholic church strives to keep children safe, and how you can be proactive in protecting God's children.

Please plan to attend on:

***Wednesday, September 12th @ 6:30pm
St. Rose School Cafeteria***

Pre-registration is required.
