From the Pastor...

Prayer to Saint Perigrine, Patron Saint of Cancer Patients

O God, in Saint Peregrine you gave us an outstanding example of faith and patience.

We humbly ask You that, by imitating him and by the help of his prayers, we may believe more fully in Your healing help, bear the suffering of this life without wavering, and come with joy to the peace of heaven.

We ask this through Jesus Christ , our Lord.

Amen

MPDO COLLECTION JULY 25-26

Missionary Projects of the Diocese of Ogdensburg

Ordinarily, we would be gearing up for our annual efforts that split the Diocese down the middle: Mission COOP and MPDO summer appeals. Each half (west vs. east) alternates summers with our efforts to raise much needed funds for our Mission Lands.

This summer, the Missionary Projects of the Diocese of Ogdensburg annual collection will take place across the diocese on the weekend of July 25-26. The 2020 MPDO collection will be used to help with a number of causes this year. It will support missionary priests and religious who work here in our diocese: Sisters of Chavanod, Archdiocese of Caceras, Philippines, The Herald of Good News; it will continue to support the Church in Latin America; it will further our solidarity efforts in the Diocese of Latakia; provide continued support for our former mission parish in Mollendo, Peru; and lastly, it will help any other mission project throughout the world that Bishop Terry LaValley deems appropriate as part of our evangelization efforts. Thank you for your support. God bless and be assured of our prayers in these challenging times.

NFP AWARENESS WEEK

July 19-25 marks National NFP Awareness Week, which invites everyone to consider the beauty of God's plan for sex, love and marriage. "Like so many other people who have made the switch to Natural Family Planning," Jennifer Fulwiler writes, "I simply couldn't be okay with any form of sterilization any more, whether temporary or permanent. In that place deep in the heart where the most important truths about our humanity reside, I know as surely as I know anything else that those Catholic teachings about human sexuality are true and good." To learn more about those teachings, or about NFP--a healthy, effective, respectful approach to family planning--please contact the Diocesan NFP Office, apietropaoli@rcdony.org or 518-483-0459. ENVIRONMENTAL STEWARDSHIP

How can I be 'good steward' during the predicted hotter summer? According to world top scientists the greatest human contributor to carbon emissions is refrigeration. (Drawdown, ed. Pau Hawkins 2018) Turning the air condition and freezer a few degrees less cold this summer can reduce the carbon emission that causes warming of the climate globally. Those without the resources to adapt to the heat are bearing the heaviest burden. How can we make a difference?
