From the Pastor...

Religious Education classes this Sunday, 9:30-10:30 at the Holy Ghost Parish Center. Still looking for 10th Graders for Confirmation Class. Remember we have regular class or we can have parents teach at home.

We want to regroup our Youth Ministry Program. We will plan a trip to the Corn Maze, wear a mask, social distance & hand sanitizing!

We are currently at 60% of our \$27,000 Bishop's Fund goal. Thank you to those who have given. Imagine if the slackers were back at church we'd make out goal. Some people think the church pays it's bill with friendship..."One of these days, Alice"!

DOMESTIC VIOLENCE AWARENESS MONTH

October is Domestic Violence Awareness Month. Even before the added stress and isolation of COVID-19, one in four women and one in nine men experienced severe intimate partner physical violence, as reported by the National Coalition Against Domestic Violence. Domestic abuse and violence refer to the physical, sexual, or psychological harm by a current or former partner or spouse including teen relationships.

Faith communities are called to offer hope, help, and healing to all harmed by domestic abuse and violence. We must learn to recognize domestic abuse, respond with compassion, and refer people to the proper services that are prepared to help them.

Catholics for Family Peace Education and Research on Domestic Abuse is offering ways to promote family peace, respond to domestic abuse, promote prayer for families and provide resources. To learn more, please visit www.catholicsforfamilypeace.org

ENVIRONMENTAL STEWARDSHIP:

A Simple act to Care for Creation: Plug up the Holes. Older homes can lose up to 35% of heat through their walls or attics. Plug holes; use weather stripping; caulk around windows and baseboards on the inside of your home. Increase the insulation in your attic; if you can, insulate your sidewalls. There are a variety of programs available to give you technical and/or financial assistance. You can even save money!
