From the Pastor...

- 1) No religious education this week. Martin Luther King holiday.
- 2) We signed the papers this week for the closing on the 114 Main Street rectory. The new owners are moving in. May God bless them in their gracious old house. It is a classic old home.
- 3) Let each take time to pray our rosary for the intention of life. Life from conception to old age... until God calls us home. We live in a world of darkness. The light of Jesus is the only hope.

Fr. Doug

ENVIRONMENTAL STEWARDSHIP:

How can my simple small acts to "reduce, reuse and recycle" possibly contribute to peace in the world? In his message on World Day of Peace 2021, Pope Frances reminds us that all creation is interconnected. It also highlights our need to listen to the cry of the poor and, at the same time, to the cry of creation. Constant and attentive listening leads to effective care for the earth, our common home, and for our brothers and sisters in need... Peace, justice and care for creation are three inherently connected questions, which cannot be separated in such a way as to be treated individually, lest we fall back into reductionism." Our responsible use of God's gifts that are meant for everyone is one step that we can make towards building a more just and compassionate world.
