From the Pastor...

1) Religious Education classes this Sunday 9:30-10:30 AM. Getting close to First Holy Communion 01 May and Confirmation 21 May. These celebrations will once again follow the covid guidelines from the Diocese.

2) Our second graders will join us for the Teaching Mass 25 April at Church at 11:00 AM. This is a tour around the Church. You may not know this is really for the parents. This helps the parents to explain the Church and her traditions to their children. There is never a wrong question.

3) Seems like Spring is here. New life, budding trees and spring flowers. It is always a miracle how creation comes back to life here in Northern New York.... How can you not see the hand of God in the miracles of Easter life and the renewal of creation.

Third Sunday of Easter

"Jesus himself stood in their midst and He said to them, PEACE BE WITH YOU!" Lk 24: 36

The other day, I made a short visit to Teresa Joseph at Washington St. During our long conversation, she told me something that gladdened my heart. "I am a Priest fan, Father" she said. It is for the first time that I heard something of this sort from a person. I knew, it came all the way from her heart. I believe you all have the same feeling. You love your priest and that is what Fr. Decker and I experience each day. Thank you for all the love and care. Let us earnestly pray for vocation to priesthood.

During the Easter season I had the opportunity of celebrating Holy Eucharist at St. Agnes Church, Lake Placid. It was a divine and pleasant experience. Prayed for the ailing members of our parish.

On Easter Sunday, I was invited by a nice family for the dinner. I heard the invitee telling Fr. Decker that, 'Fr. Clement is away from his home and family for the first time, he must be missing them. We will be happy to have him in our home for the dinner.' I was overwhelmed by their thoughtfulness. It was a memorable family dinner. I could see and experience the life and love in their family. I too thank all the parishioners for the many gifts and prayers during the Easter season.

We had the beautiful celebration of Divine Mercy Sunday. The prayer service and benediction at noon was indeed a great faith experience. Your presence during the hour was very encouraging. Let us continue to pray for each other and for the world. Let the mercy of the Lord prevail on earth.

These days in the evening hours, if you happen to see two men limping and walking around the 4-mile square, it is Fr. Decker and me. We have decided to pull 5 pounds down.

I am happy to let you know that we have started a new Facebook page for the parish. This page is created exclusively for the purpose of posting parish activities. It will carry daily reflections, saint of the day and information regarding the parish. I request you all to like the page and be part of this new initiative. The name of the Facebook page is St. Alphonsus-Holy Name of Jesus Parish.

May God bless and keep you all safe.

Fr. Clement

SAFE ENVIRONMENT CORNER:

Did you know?

Did You Know... **Temperance** is the virtue by which we make use of temporal good things as necessary, with a gaze toward the truth that we are made for Eternity and that our bodies are temples of the Holy Spirit. Sensory pleasure pursuits and thrill-seeking behaviors are prudently assessed with the vision formed with the light, love, and wisdom of God. Temperance strengthens and guides, in charity. Temperance gives us direction and really allows us to remain free so that we are not bound by our emotions and desires.

PLANNED GIVING:

Give Your House and Continue to Live There

You may want to make a major gift to our parish. Why not consider real estate: This is called a life estate gift. This simply means that you give a piece of real estate, such as your residence, to our parish, obtain a charitable income tax deduction and retrain the right to live there as long as you want. This arrangement removes the property from your estate and relieves your executor from having to dispose of your home at your death. Contact Scott Lalone at the Diocese at 315-393-2920 or Email slalone@rcdony.org for further information.

ENVIRONMENTAL STEWARDSHIP:

As warmer weather approaches, consider planting a veggie garden. It doesn't get much more local than that. Cut down on emissions from food transport and eat healthier at the same time. Don't have a plot to plant? Check out Community Supported Agriculture (CSA) in your local area. CSA is a food production and distribution system that directly connects farmers and consumers. In short: people buy "shares" of a farm's harvest in advance and then receive a portion of the crops as
