2. **No** food or drink in the classroom. (Items will be stored in trashcan for your convenience.)
1. **You must bring all books and materials to class each day.**
2. Follow your student handbook procedures.

COURSE CONTENT

Campus ministry is an extension and expansion of the Theology curriculum. It offers a hands-on approach in participation of community service as we take an active role in making a difference in our community. Campus ministry encourages students to reflect and explore the Old and New Testaments and the role of the Messiah throughout. Through our projects we will work together to promote a Christ like image in our daily lives on our campus.
