

Incoming Grade 4 Summer Reading Assignment

Dear Families and Students:

To sharpen our reading skills for the 2020-2021 school year, all students entering grade 4 are asked to complete **Raz Kids** and **sight words** assignments.

- For Raz Kids, all students should listen to, read and answer questions for 15 books.

Listen Read Questions

When all three steps are complete, the boxes turn green and a checkmark appears.

- Students should continuously practice the attached 'sight words.'
 - These are sometimes called 'snap words' as students should be able to recognize and read them within a snap of your fingers.
 - They have been created as flashcards for your convenience.
