

SUMMARY OF THE
MINUTES OF THE PARISH PASTORAL COUNCIL
MEETING OF OCTOBER 10, 2017

Members discussed the urgent need for PADS' volunteers. Opportunities involve volunteering for all three shifts, purchasing groceries, preparing the Saturday evening meal, preparing bag lunches for Sunday and clean-up on Sunday morning. Members discerned having a special annual collection for PADS to defray costs and ensure this valuable community program remains operational.

The Notre Dame Program Study has been completed. A Marketing person for the parish school staff is now needed to implement the Study's direction on effectively utilizing social media to advertise and promote our school.

Members are considering the formation of small parish groups to enhance parishioners' desires to be the disciple God wants us to be. Formed.org had leadership educational materials available for reference.

The next meeting of the Parish Pastoral Council is Tuesday, November 14, 2017 at 7:00 p.m. in Burke Hall.

Jill E. Moskal, CPS
