

Jesus said to them, I am the bread of life; whoever comes to me will never hunger, and whoever believes in me will never thirst".

John 6:35

Distributing the Body and Blood of Christ to the faithful at Mass is a tremendous honor, responsibility and GIFT.

Responsibilities:

- Extends the Body & Blood of Christ to the faithful using the words and procedures as mandated by the Archdiocese of Chicago
- Good hygiene should be ensured through the use of the hand sanitizer before distributing
- Consume any of the remaining precious Blood of Christ after communion
- Appropriate dress is required
- Arrive at least 15 minutes before the start of Mass

Time commitment:

- Volunteer position requiring participation in 1-2 masses/month

Model your faith, love and commitment to Christ by regularly distributing and receiving the Eucharist

Though some may feel they are unworthy for this liturgical ministry, but Eucharistic/Extraordinary ministers are called to this ministry and are an essential part of the Body of Christ doing the "work" of liturgy together.

This too can be a true FAMILY Liturgical Ministry

Proclaiming the word of God is the calling of a Lector. It is more than just reading. Lectors use their speaking talents & gifts to make the message clear for the whole community.

Whether the reading is familiar to everyone or if it is a less often heard text, a lector can make the scripture come alive and meaningful.

Lectors receive training to appreciate the message in the scripture and to proclaim it well.

Lectors are called to this ministry by God and are scheduled for liturgies all throughout the year.

I am interested in training for this ministry
