Things to be aware of:

- Storage is limited in our cabins. We ask that you consider luggage that is no bigger than 30x36 or 12" high.
- Camp can be messy. Don't plan on bringing your Sunday best- old clothes are best!
- We expect all campers to dress modestly. We ask that ladies wear modest swimsuits with no ties. Bikinis are not allowed. Appropriate tankinis are fine. Please don't feel the need to buy a new suit for camp! Lots of girls wear a T-Shirt over their two pieces which is also fine. Gentleman need to make sure their swim shorts are an appropriate length. Please no speedos or short-shorts.
- Make sure to mark all articles brought to camp with permanent marker. We promptly donate lost and found items after camp.
- Cash is not allowed in the cabins. All money must be given to staff at checkin so they can keep it on account for you.
- Food is not allowed in the cabins. Please do not bring or send campers snacks and candy.
- To ensure the integrity of camp, we reserve the right to check any bags brought onto the St. Thomas More Center Property.
