Father Jacques Philippe - People have been known to travel hundreds of miles to see Father Jacques Philippe! With over one million copies sold in 24 languages, his writings on themes such as prayer, interior freedom, and peace of heart have become classics of modern Catholic spirituality. His books offer clear, yet profound reflections on themes such as how to pray better, how to handle suffering, and how to develop one’s interior life to achieve true peace and happiness.

The Eucharistic Miracles of the World - This international photographic display, created, designed and inspired by the Venerable Carlo Acutis prior to his death at age 15 in 2006, has been to thousands of parishes throughout the world. Carlo was convinced that if people properly understood that Christ is present in the tabernacle, they would be transformed, and churches would be full. He researched and collated all the authenticated Eucharistic miracles and put them online. It is available at www.miracolieucaaristici.org.

“The Eucharist is my highway to heaven.” – Carlo Acutis
