

Ladies

Did you make any resolutions for the new year?

Maybe you want to become more active. Maybe you want to meet new people. Maybe you want to try new things.

There is a way to do it all!

Holy Cross has a women's volleyball league for women over 30. There is no experience necessary in order to play! All skill levels are invited! Although the league has been in existence for years we are trying some new things for 2020.

Join us Wednesday, January 15th at 7:45 in the Holy Cross School Gym for:

- ~ A short informational meeting
- ~ A short basic skills and drills camp
- ~ Snacks provided by the men's basketball league
- ~ Volleyball games
