Teaching Materials:

Materials I need: ________________________________

Materials learners need: ________________________________

Procedure:

How will I get the learners interested? ________________________________

Lesson Steps: ________________________________

Evaluation:

Did the learners seem to learn? ________________________________

Did they enjoy the class? ________________________________

Did I enjoy the class? ________________________________

How could this class have been improved? ________________________________
SAMPLE CATECHETICAL LESSON PLAN #3
Outline

Theme: 

Objective: (correlation to Graded Course of Study) 

Materials Needed:

Introduce the theme: (How will I introduce the theme? How do the children already know about it? What activities and questions will encourage them to share their ideas and feelings?)

Sharing Life/Critical reflection on what they know...(use: memories, imaginations and reasoning abilities. Ask “why” questions)

Our Catholic Faith Story/Discovering the message: (What activities will help the children understand this part of the Christian message? How can I reinforce the key religious vocabulary?)

Coming to Faith/Connecting the message with life: (What activity will help the children connect the message with their daily living? How can I help them choose a response?)

Practicing Faith: (What activity will challenge the children to decide how to live the Catholic faith TODAY in their homes, schools and parishes)
