

Mission Market

Dear Parents,

In celebration of Mission Month (October), we will be hosting a Mission Market!

Date:

Where:

Time:

We ask that your child bring in one or more gently used toys or books that they no longer use at home. The toys and books will be donated to the Mission Market and classified into one of five categories ranging from \$1 to \$5. The children will have the opportunity to shop the market for a “new to them” toy/book that they can keep or give as an affordable gift to a sibling or friend. The money from the sales will be donated to the Missionary Childhood Association (MCA), which has been helping mission children for almost 170 years by providing food, water, shelter, clothing, medical care, education, and the love of Jesus. Please visit www.mcakids.org to learn more about MCA.

The children will have the last 15 minutes or so of class to shop the Mission Market. Any leftover toys or books will be donated to J.O.I.N. Please pick up your child at the designated Market area.

Recycle, Reuse, and Help Mission Children!!!
