NFHS rules and DRA policy require a student who exhibits signs, symptoms or behaviors associated with concussion to be removed from a contest and not permitted to reenter competition without written medical authorization from a physician (M.D. or D.O.) or an Athletic Trainer. This form shall serve to document that a student has been removed from a contest in accordance with NFHS and DRA rules due to exhibiting signs, symptoms and/or behaviors consistent with a concussion. The contest official must complete this form and forward it to the DRA within 48 hours after the conclusion of the contest. It is recommended that the official keep a copy of this report. In addition, if required by NFHS rule, an appropriate entry shall be made in the scorebook or other document as prescribed.
