YOUTH PROTECTION

BEST PRACTICES FOR MONITORING YOUTH MINISTRY FACILITIES

Child molesters look for ways to spend time alone with children. If they know someone is watching, they have more trouble finding opportunities to abuse without getting caught. The following steps can help create a safer environment for our children, youth, and adults.

- Identify secluded areas, lock empty rooms.
- Develop policies regarding use of secluded areas.
- Do not permit youth to enter staff-only areas.
- Only meet with youth where other adults can pass by.
- Supervisors should look in on activities.
- Make sure enough adult volunteers are present for all programs.
- Encourage parents to visit and participate in programs and activities.
- Do not start any new programs without approval from the pastor.
