

**The Correlation between the Elementary Religion Curriculum  
Diocese of Columbus  
and  
The Pflaum Gospel Weeklies: What the Church Believes and Teaches  
February 2017**

The Pflaum Faith Formation program integrates a complete doctrinal catechesis with the liturgical life of the Church. Overall, there is a very high percentage of correlation between the Curriculum of Columbus and the Pflaum Gospel Weeklies: What the Church Believes and Teaches Faith Formation program, pre-school through grade eight. The strength of the correlation is especially in the area of truths referred to by the bishops as the hierarchy of truths, the central truths of the Catholic faith.

Each Student Objective of the curriculum was aligned either with the doctrine from the lectionary readings from cycle A, B, and C or with Pflaum's *What the Church Believes and Teaches*. The page numbers with each outcome refers to the pages in *What the Church Believes and Teaches* for the appropriate age level.

The development of the doctrine of the Sunday readings leaves open the possibility of even further correlation between the Curriculum of the Diocese of Columbus and The Pflaum Faith Formation program.
