

BISHOP'S PARISH – Girl Scouts

DIOCESE OF COLUMBUS

This award is made collectively to the Girl Scouts of one parish each year at Scout Day with the Bishop. It is intended to honor all the Girl Scouts, regardless of age, who are members of the parish. It is NOT limited by troop affiliation, but simply by parish membership. Therefore, you will want to reach out to all the Girl Scouts in your parish to make sure you have noted all of their service to the parish and community for this nomination.

The Committee looks at the QUALITY of the service given. The number of girls in the parish has NO BEARING in the selection. We are asking for the number of girls for statistical purposes only.
