All children are created by God and possess immeasurable dignity and worth.
All children differ greatly in their aptitudes and achievements from one area of learning to another and in the ways they learn.
Individual differences should be considered in every decision that is made within the school community.

The Beauty of Multi-Age

Lial Catholic School is accredited through the Ohio Catholic School Accrediting Association. Its Readiness program (Pre-K to K) is a member of the American Montessori Society. Lial’s Primary (1-2), Intermediate (3-5) and Middle School (6-8) multi-age classrooms allow students multiple opportunities and multiple years, if necessary, to develop success while providing extensions to students who are ready to learn more. Students move through the curriculum at his or her own pace growing in self-confidence as they do so. There is no other school like Lial. It is a beautiful
blend of traditional and Montessori practices with faith at the center of everything we do. A day would not be complete without leaf pile jumping, sledding down the meadow hill or building forts in the woods.
