

Hail, O Holy Queen, Mother of Mercy!
We, your children come before you asking for
your protection and intercession during this
time of great trial for our world.

You never fail to hear the prayers of those in
need, so we beseech you to come to the aid of
our brother and sisters suffering from all
forms of illness. In a special way, grant mercy
and healing to those who have been afflicted
with the Coronavirus. In this time of unknown-
ness be their strength.

Grant wisdom to the leaders of our govern-
ment and our Church. Help them to place
the welfare and dignity of humanity before all
things.

Inspire those searching for cures, keep the
medical profession focused on the alleviation
of suffering extended through mercy.

Be with all of us. We are searching for mean-
ing...we are reaching for Hope.

Our Lady of Lourdes, intercede for us at this
time of great strife. Amen

Prayer of Spiritual Communion

My Jesus, I believe that you are
present in the most Blessed
Sacrament. And, I
love you above all things.
It is my heart's desire to receive you
into my soul.

Since I cannot receive you
At this time sacramentally, please
come spiritually into my heart, and
unite me wholly to you. I pray that
I may never be permitted to be
separated from you.

Amen
